

AUTHOR DECLARATION

We (*signed below*) declare that the submitted manuscript is original, has not been published before and is not being considered for publication elsewhere.

We confirm that we have no known conflicts of interest and there has not been significant financial support for this work that could have caused any bias in the outcome of the work.

We confirm that the manuscript has been proofed and approved by all the authors. We also confirm that the order of authors listed has received our approval.

We confirm that we have followed the regulations of our institutions concerning intellectual property.

We also declare and confirm that work covered in this manuscript that has involved either experimental animals or patients has been conducted only after receiving relevant institutional ethical approvals which are stated within the manuscript.

We understand that the Corresponding Author is the contact for the Editorial process and that he/she is responsible for communicating with the other authors the processes of submission, revision, final proofing and publication.

We confirm that the contact information (e-mail address) we provided is correct and is accessible by the Corresponding Author.
